Subject: Comm v. [REDACTED]
Attachments: [REDACTED] Summons.pdf

Dear Ms. Khan and Saunders,

This matter is currently scheduled for trial in New Bedford Superior Court on Monday, November 9 at 9am. The drug cert numbers for the case are [REDACTED]. I already have a copy of your cv's, but I will need a copy of the case files at your earliest convenience. The defendant has not been charged for the marijuana, so we need not be concerned with certificate [REDACTED] by Assistant Analyst Sonja Farak.

The weight of the drugs is an issue in this case. If one of you weighed the drugs and the other determined that the substance was cocaine, then I will need both of you to testify.

I have attached a summons for each of you. At this point, getting the copy of the files to defense counsel is the most pressing issue, so if you can get those to me soon, that would be great. If you are not available on 11/9, please let me know ASAP, so that we can address that issue.

Thanks,
Greg
